Structured course · Fixed duration

A dedicated brochure for Sonka Institute's structured Computer Packages course.

ABOUT THIS COURSE

A structured computer training course delivered over a fixed duration. The Institute will publish the confirmed course schedule and package coverage for each intake.

WHY EXPLORE THIS COURSE?

A dedicated course pathway with its own programme information, admissions guidance and course-specific brochure. Contact Sonka to discuss the current intake and whether the course matches your learning goals.

ADMISSIONS & COURSE INFORMATION

The exact course duration, package coverage, fees, start dates and entry guidance must be confirmed with the Admissions Office before booking.

NEXT STEP

Contact the Sonka Admissions Office to confirm the current course details, available intake, class schedule and application or booking procedure. For PTE and IELTS, make your booking and confirm payment instructions directly with the Institute before paying.
