SONKA INSTITUTE

OF TECHNICAL AND PROFESSIONAL STUDIES

COMMUNITY HEALTH

Diploma in Community Health

Diploma

A dedicated programme brochure for the Diploma in Community Health at Sonka Institute.

ABOUT THIS COURSE

The programme is intended for learners interested in community health, health promotion and supporting healthier communities.

WHY EXPLORE THIS COURSE?

A dedicated course pathway with its own programme information, admissions guidance and course-specific brochure. Contact Sonka to discuss the current intake and whether the course matches your learning goals.

ADMISSIONS & COURSE INFORMATION

Programme modules, duration, entry qualifications, fees and intake dates must be confirmed with the Admissions Office before applying.

NEXT STEP

Contact the Sonka Admissions Office to confirm the current course details, available intake, class schedule and application or booking procedure. For PTE and IELTS, make your booking and confirm payment instructions directly with the Institute before paying.

Official website: sonkainstitute.com

This brochure contains the course information confirmed by the Institute at the time of preparation. Unconfirmed details are intentionally referred to Admissions rather than stated as fact.
